

THURSDAY QUICK-NOTES

June 3, 2010

21 Sivan 5770

Shelach

Shabbat Candle Lighting: 7:55 p.m.

- **Graduation** is rapidly approaching and the children are excitedly preparing for their big night. The 4th and 5th graders must be at Judea Reform by 6:45 p.m. The graduation ceremony will begin promptly at 7:00 p.m.
- **Wednesday, June 9th** is the last day of school. The Preschool closing ceremonies will be held that morning at 8:30 a.m. in the Multi-purpose. The Elementary closing ceremonies will be in Judea Reforms Social hall at 10:30 a.m. All children will be dismissed from Lerner at noon.
- **Thank you for your help** in getting ALL library books returned before the end of the year. We do not charge fines for over-due books; however, we do charge a flat rate of \$10 per lost book. Checks may be made out to the Lerner School with "lost library book" on the memo line. Your child's teacher may have sent you a list of books your child borrowed from the school library. If there is a book on that list that your child did not borrow or that you think has been returned, send an email to Janice@lernerschool.org and she will check the shelves.
- **Be sure to keep** your eye out for the last trimester report cards. They will be mailed home the week of June 14th.
- **EFT Reminder!** Those who pay for tuition monthly must return a new EFT form for the 2010-2011 school year **by June 15, 2010, or face a \$20 late fee.** If you need a new form or have questions, please contact Elizabeth (Elizabeth@lernerschool.org).

Construction Update

As you know, construction will be underway this summer at the Lerner School as the Dick & Charlotte Levin Jewish Community Center is being built. We want to let you know what you can expect upon your return in the fall! Please note the following:

- The Lerner School's parking will not be affected; the construction crew will not be using our parking areas.
- Drop off/Pick up will not be affected; construction related deliveries or comings and goings will not take place during the carpool hours.
- Lerner's back field will have chain link & dust guard fencing around the construction, restricting access to those areas.
- Lerner's front grassy knoll will also be fenced to provide a secure area for student recess and outdoor activities.
- The Kindergarten playground will be updated to include the current climbing structure for First Grade & Kindergarten students' use.
- The Early Childhood playground will not be affected.
